INDUSTRY & NATURE INTERTWINED

i About

CUTZ is an online store operating under HG Group; being one of the leading groups in the market since 1996. CUTZ is providing the finest food quality ranges from special vacuumed packing premium cuts.

CUTZ Story

To master something and know everything possible about it, you need to cover it from A to Z and from here the concept of CUTZ was born. We are in the Z stage of understanding food to provide natural and fresh products with the highest quality to our consumers.

How we made it?

El Hamzawy Group is operating years ago as a B2B which gave us the opportunity to know more about the consumers' food preferences and that's why CUTZ is here to provide what people love to eat and put new meat cuts on your table.
